Introduction ABOUT COMPANY

YOGI WELLNESS INDIA is an ancient Indian system of medicine that emphasizes balance in bodily systems through diet, herbal treatments, and yogic breathing. It focuses on achieving optimal health by maintaining harmony between the body, mind, and spirit. Ayurvedic practices aim to prevent and treat illnesses by promoting overall well-being. The primary goal of Ayurveda is to promote good health, not just fight disease. Ayurveda categorizes the body into three doshas or life forces : Vata, Pitta, and Kapha.
